The Origin Story Of Associate Business Services (ABS)

ABS is the most experienced and trusted name for outsourced payroll processing services.

Having served 100+ clients with our simplified payroll solutions and printing 7 million payslips so far we at ABS came a long way. Although incorporated in 2005 our story sprouted from the hard times of Human Resources Management in India back in the late 90s and early 2000.

Frequently Asked Questions

Learn more about Associate Business Services and it's domain

What is payroll processing?

Payroll processing is one of the most critical and essential tasks of the Human Resources department of any company. It's about ensuring that your employees are paid timely and accurately.

It's a step by step process of computing gross to net pay. It includes calculation of taxes and deductions to arrive at the net pay
